

**APM100**

**Declaration of Conformity**

|  |                        |
|--|------------------------|
| Model Number                           | : APM100               |
| Type of tool                           | : 1/4" Mini Ratchet    |
| Weight of tool                         | : 0.9 lb.(0.4kg)       |
| Compressed air                         |                        |
| Maximum permissible operating pressure | : 80 psi (5.5 bar)     |
| Recommended operating pressure         | : 80 psi (5.5 bar)     |
| Air Consumption @90 psi                | : 8.5 CFM              |
| Size                                   | : 1/4"                 |
| Free speed                             | : 420 rpm              |
| Min hose size                          | : 3/16"                |
| Noise characteristic values            | : 92 Db                |
| Vibration                              | : 1.5 m/s <sup>2</sup> |
| Recommended lubrications               | : Air Tool oil         |
